

To whom it may concern:

I would like to express my deepest gratitude to Greg Norman and everyone on the Creative Alternatives LLC team. In this day and age I never thought I would be able to purchase a home, but Greg and his team was with me. Even with very limited credit experience Greg rented me a home in February of 2005 with the option of making the purchase in 15 months. Even after I went beyond the June 2006 deadline, Greg was kind generous enough to extend the purchase price thus keeping the home affordable long enough for me to secure the loan and achieve the "American Dream of Homeownership." I would highly recommend Greg and his team to anyone in need of a lease-purchase deal.

Thanks and God Bless
