Dear Mr. Norman,

We wanted to take a moment to let you know what a pleasure it was to work with you on the purchase of our first home. We were very nervous as first time home buyers as to how long it would take and if we would fully understand the process. To our relief, all of our questions and concerns were addressed clearly and quickly. From our first meeting to closing all matters were handled in a very professional way. We were very pleased with your company and will seek your services again.

Thankfully yours,  
Otoniel & Larissa Avendano
