Dear Mr. Norman,

On behalf of myself and my family I would like to thank you for making home ownership available to us. I never imagined that buying a house would be this easy until I enrolled in your lease purchase program. It not only gave me the opportunity to purchase regardless of my credit but it made it as easy as 1!!! 2!!! 3!!!!. The program was so great I have told all of my friends and co workers about it. I am very grateful to you for making one of my biggest dreams come true. Thank you so much for gracing me with your business.

Sincerely Yours
